Code of Conduct

This Code of Conduct applies to all Artists, Participants and Venues registered for Bondi Festival Local. The Code of Conduct is designed as a statement of intent to help provide Artists, Participants, Venues and audiences with the best possible experience as part of the Bondi Festival Local program.

Waverley Council's principles are based on the Model Code of Conduct for Local Councils in NSW ("the Model Code of Conduct") which has been prescribed under the Local Government (General) Regulation 2005 ("the Regulation"). The Model Code of Conduct sets the minimum standards of conduct for Council officials and extend its application to persons that are not "Council officials" for the purposes of the Model Code of Conduct (e.g. volunteers, Bondi Festival participants, contractors and members of advisory committees).

General conduct

You must act lawfully and honestly, and exercise a reasonable degree of care and diligence in carrying out your functions under the LGA or any other Act.

Fairness and equity

You must consider issues consistently, promptly and fairly. You must deal with matters in accordance with established procedures, in a non-discriminatory manner.

Harassment and discrimination

You must not harass or unlawfully discriminate against others, or support others who harass or unlawfully discriminate against others, on the grounds of age, disability, race (including colour, national or ethnic origin or immigrant status), sex, pregnancy, marital or relationship status, family responsibilities or breastfeeding, sexual orientation, gender identity or intersex status or political, religious or other affiliation.

Bullying

You must not engage in bullying behaviour towards others.

For the purposes of this code, “bullying behaviour” is any behaviour in which:

- (a) a person or a group of people repeatedly behaves unreasonably towards another person or a group of persons, and
- (b) the behaviour creates a risk to health and safety.

Work health and safety

All Council officials, including councillors, owe statutory duties under the Work Health and Safety Act 2011 (WHS Act). You must comply with your duties under the WHS Act and your responsibilities under any policies or procedures adopted by the Council to ensure workplace health and safety.

We take pride in our Bondi Festival values and hope that you will share our vision of celebrating:

- Arts
- Accessibility

- Our Local Community, and
- Joy.

As a business, group or organization presenting in Bondi Festival Local, it is expected that you will:

Risk Assessment

The Contractor must supply a risk assessment for their performance to Council three weeks before the first performance, which must be approved by the Festival's Production Manager.

Public Liability Insurance

Public Liability Insurance (PLI) is intended to insure you in the unfortunate event that a person is accidentally injured, or property is damaged at your Venue or, for Artists, at your Event as part of Bondi Festival Local. For example, PLI would provide insurance cover for you in the event that an audience member injures themselves tripping over an electrical lead you have installed at your Event.

Council is not responsible for ensuring that Artists, Participants and Venues have adequate and current PLI in order to participate in Bondi Festival Local. All persons and entities must consider and take responsibility for their own PLI requirements.

Waverley Council encourages Venues to confirm the suitability of PLI, and any other relevant insurance policies you may hold. We also strongly encourage you to talk openly to prospective Artists about the extent of the cover provided by any PLI you may hold.

Working With Children

If your Event involves direct, unsupervised physical or face-to-face contact, or written or electronic communication (including via social media), with children, you will need to hold a valid Working With Children Check.

We suggest that you take the questionnaire at workingwithchildren.nsw.gov.au to determine if you need a Working With Children Check.

Business and Planning Regulation Compliance

Whether you are an owner/operator of the premises your Bondi Festival Local event occurs at, or in a leasing arrangement, it is essential you consider whether the relevant business permits, building permits and/or any other regulatory requirements are being fulfilled. Some questions to ask may include (but are not limited to): "Is a Place of Assembly permit required?", "Will I need to seek a car parking exemption?", "Have any modifications to the building been through the proper planning approval process?". If you don't know the answer to these questions or other questions, staff in Economic Development or Planning at Waverley Council will be able to assist. Please contact 9083 8000.
